# The Expedition

#### Reflections from the Class of '25

"To my friends, thank you for the laughter, the memories, and for always being there for me whenever I wasn't feeling at my best. I will miss some of the teachers, and I will cherish the moments here throughout the next chapters of my life. As I step into the next chapter, I hope to make everyone proud as I move on. Thank you, and have a good summer!" -Isaiah P.

"Throughout my time at Magellan, our core values of responsibility, integrity and respect have helped me grow and learn valuable life lessons such as having patience and forgiveness. My teachers, classmates, and other staff have taught me that even when things are hard or seem impossible, to never give up hope. With these life lessons I know my future holds bright and bold things. Once a Mariner, Always a Mariner." -Pevton S.

"Magellan means more to me than just a school, it is a second home. From the first time I walked the halls to the last time I do as a student, the values Magellan has taught me will stay with me. Respect, Responsibility, and Integrity have all shaped me into who I am today. Once a Mariner... Always a Mariner." -Sophie H.

"Through my six year journey at Magellan I have overcome challenges and gained many friends. I have had a lot of new experiences with the caring teachers and staff. One experience that has shaped my life was the sports teams. I got to learn more about the people around me and we grew together. The voyages were more experiences that I will never forget. From the art museum to DC. I am so thankful for the memories." -Noah D.

#### Message From Head of School

Dear Mariner Families,

As we wrap up another school year, it is a wonderful time for looking back and looking forward.

I want to begin by acknowledging and appreciating how much our students have

grown intellectually. From memorizing math facts to solving quadratic equations, from writing complete sentences to composing multi-paragraph essays...our students' academic skills have developed in leaps and bounds.

Beyond their cognitive growth, our students have also grown significantly in their character. It has been amazing to watch our students learn about the 24 character strengths and the "Other People Mindset" through our Positivity Project (P2) implementation. Whether they are working on their self-control, creativity, perseverance, or kindness, our students have learned how living out such character strengths leads to building positive relationships. I feel tremendous pride in our Mariners as I see them thrive not only as students, but also as engaged and caring citizens in our community.

This month's Expedition spotlights the experiential learning that we continue to provide until the last day of school – through arts integration, projects, and voyages that extend our classrooms into our community. This edition also highlights all of the wonderful destinations that await our graduating 8th graders and our alumni 12th graders. We know they will make us proud and emerge as leaders as they set sail on the next leg of their journeys. And we will always welcome them back with open arms – once a Mariner, always a Mariner!

Wishing everyone a successful end of the school year, and a restful and joyful summer. As always, thank you for your partnership and for everything you do to support our lifelong Mariners.

Warmest regards,

Jessica O'Donovan

#### Innovative Curriculum - Experiential Learning Arts & Cultural Integration

INSIDE THE MAGELLAN CLASSROOM

**3rd grade** celebrated Immigration Day where they experienced the process of becoming U.S. citizens. They arrived through Ellis Island, created passports, experienced health screenings, and took the Naturalization Oath of Allegiance. Lastly, students enjoyed a meal together sharing dishes from their homeland countries.

**4th grade** spent a week with members of the Raleigh Symphony Orchestra learning about sound energy through music. In addition to building their own banjos, students explored waveforms to learn about pitch, frequency, amplitude, and volume.

**5th grade** students held a Wax Museum for parents and the greater school community to enjoy! Each student chose a person of influence history to research, and then transformed into their subject to bring their research to life through live presentations.

As part of their study of the Romans and their engineering advancements, **6th grade** students constructed edible Roman roads. They worked with a group to plan, construct (and eat!) roads using the same method as Ancient Romans.

**7th grade** students participated in a poverty simulation, where they assumed the role of low-income individuals and were tasked with challenges such as getting their children to school, going to work, and paying for their home, utilities and groceries. This experience is always a thought provoking one for our students.

To reflect on this moment in time, **8th grade** students decorated an (upcycled cigar) box guided by the questions, "Who am I, what matters to me?" Using the inside and outside of the box, students represented their core values – and had fun doing it!

On this page: 8<sup>th</sup> Grade in Washington, DC ~ 7<sup>th</sup> Grade serving at the NC Food Bank ~ 6<sup>th</sup> Grade experiencing Medieval Times & The Challenger Center ~ 5<sup>th</sup> Grade learning at Marbles Museum ~ 4th Grade exploring Tryon Palace ~ 3<sup>rd</sup> Grade visiting the NC Museum of Art

### Student Engagement

#### 8TH GRADE BINGO BASH

Our first ever Bingo Bash community service event was a huge success! Over 300 attendees came to play Bingo and enjoy performances by some of our talented eighth graders. Thanks to your donations and tips, we raised over \$4,400 to support Freedom Ride Dog Rescue and to supplement the need-based scholarships offered to students for the eighth-grade capstone voyage to Washington, D.C.

"It was fun walking around and selling baked goods for the cause with my friends!" -Brooklyn W., 8<sup>th</sup> grade

#### THE WIZARD OF OZ

Congratulations to our Mariners from over the rainbow who dazzled us with a fantastic performance of The Wizard of Oz!

"I had tons of fun working with my fellow actors, as well as the directors and stage hands, as we designed the choreography and blocking for the show, which gave me the feeling of being able to work hard towards this school event. To me, it was a fun way to expand my school experience and I am looking forward to doing another play next year!" -Emory K., 7<sup>th</sup> grade

"I really enjoyed musical theatre here at Magellan! Ms. Tatiana and Ms. Daina make everything so much fun! I think that I can speak for everyone when saying that I made memories that will last forever! From "throwing up" as Grimbsby in the Little Mermaid, or walking through the crowds shinier than a diamond as the Tin Man, I will always remember my time here in Musical Theatre!" -Parker C., 8<sup>th</sup> grade

#### A NIGHT UNDER THE STARS

Middle schoolers got dressed up with their friends and enjoyed taking photos and dancing the night away at the MCS spring semi-formal.

"The dance had epic music with the best friends and memories we'll be laughing about the rest of the year." -Emily T., 6th grade

### Congratulations to these students who were recognized for the following Positivity Project character strengths.

#### GRADUATING SENIORS

#### **CLASS OF '21 REUNION**

The MCS Class of 2021 - who are now graduating high school seniors - gathered at their old Magellan stomping grounds for a class reunion before heading off on their next adventure. There were many hugs, laughs, and memories shared between old friends, parents, and former teachers. Congratulations to the MCS Class of 2021! We can't wait to see all of wonderful places your journey takes you!

#### CONTINUING THE JOURNEY

It is an honor to award this year's Continuing the Journey Scholarship to Trevor Mulligan. Trevor is graduating from Saint Thomas More Academy. In high school, Trevor served as President of Student Council, Captain of the swim team, and enjoyed acting and singing in theater productions - all while maintaining outstanding grades. He has received numerous academic honors and awards.

Trevor will attend Notre Dame University, majoring in philosophy and theology on a pre-med track.

Congratulations Trevor! We are proud to call you a Mariner and wish you the best of luck on your journey!
